

JAYNAE OKON MEMORIAL SCHOLARSHIP FUND

<http://Jaynae-okon.memory-of.com>

Dear Friends and Family:

It has been almost two year since Jaynae went on to be with Lord. Through sheer determination and hard work either as a student, bank teller, cheer leader, or volunteer Jaynae was a lightening-rod in every capacity to all she came in contact with. Jaynae was an economic major at SUNY Stony Brook and a bank teller at Wachovia bank.

Her passion and zeal for knowledge and to help alleviate poverty in poor countries took her to many places at a tender age including, Africa, Malta, Spain, London and France. We have decided to set up a scholarship in her name to help others wishing to pursue Jaynae's academic aspirations. We anticipate this to be a yearly gift to a deserving senior.

We are sure this is something Jaynae would have been proud of, and is a fitting reminder of her appreciation of learning. Please join us at Jaynae's FIRST MEMORIAL SCHOLARSHIP DINNER.

Respectfully,
